DETAILED ACTION

Specification

1. The abstract of the disclosure is objected to because it contains grammatical errors. For example, the beginning of the second sentence should be "The conduit" instead of "Conduit", "swivel" in the second sentence should be "a swivel" and "between first and second conduit portions" should probably be "between the first and second conduit portions". Similar corrections should be made through the entire abstract. Correction is required. See MPEP § 608.01(b).

Allowable Subject Matter

2. Claims 41, 42, 44, 46, 7 and 49-51 are allowed.

Conclusion

3. This application is in condition for allowance except for the following formal matters described above.
